The minutes or summary records of a meeting with external parties were drawn up for internal use under the responsibility of the relevant services of the Directorate-General for Health and Food Safety. These solely reflect the services’ interpretation of the interventions made and do not set out any official position of the third parties to which the document refer, which were not consulted on their content. They do not reflect the position of the Commission and cannot be quoted as such.

You may reuse public documents, which have been produced by the European Commission or by public and private entities on its behalf based on the Commission Decision on the reuse of Commission documents.
