Subject: RE: Ukraine and Food Security - Letter from CropLife Europe to President U. von der Leyen and President R. Metsola (Ares(2022)2268784)

Dear Personal data,

President von der Leyen has asked me to thank you for your letter, on behalf of CropLife Europe, regarding your proposals for points of action in response to the Russian war of aggression against Ukraine and requesting a meeting on a date to be convened in order to discuss these proposals and other common challenges.

We have taken note with attention of the content of your letter.

Regretfully, despite her appreciation for your request and the importance of the issues to be discussed, the President is unable to provide a positive response to your meeting request due to the heavy time constraints of her busy agenda during this period. Thank you in advance for your considerate understanding.

Nonetheless, President von der Leyen has asked me to inform you that the European Commissioner for Agriculture, Mr Janusz Wojciechowski (e-mail: cab-wojciechowski-contact@ec.europa.eu), and his team are looking into the points you have raised and will reply to you in due course.

May I take this opportunity to send you my kindest regards and best wishes going forward.

Yours sincerely,

Kurt Vandenberghe
