Dear Personal  
d t

As you can imagine, our Commissioner is currently extremely busy. The earliest possibilities for a meeting with Commissioner Wojciechowski are the following:

19 May from 10:00 to 11:00

Or

20 May from 11.00 to 12:00

It will be an online meeting, we will send you Webex invitations once you confirm the date which suits you best.

Unfortunately it is not possible to hold an open public meeting nor to gather other Commissioners or Ministers for this meeting.

I thank you for your understanding and I am looking forward to receiving your feedback about the meeting date.

Kind regards,

Personal data

Dear **Personal data**

Many thanks for taking time to read our letter and invest in a detailed response.

We were happy to hear that Commissioner Wojciechowski is willing to meet us, and would very much appreciate if a date could be found at the earliest possible point.

From a practical perspective, we'd like to ask if it's possible to hold it as an open meeting (i.e. to be recorded and published, for the benefit of all) or whether the Commissioner rather prefers a closed meeting (this depends primarily on the targets we may want to reach at this point in time).

We would also like to ask, whether it would be of interest to hold the meeting jointly with any other commissioners (especially Commissioner Kyriakides) and/or agricultural ministers (e.g. xxxxxxx, France).

I will be able to inform of the attendants on our side once the date is clarified.

Kind regards and thank you again,

**Personal data**
