Dear Art.4(1)(b), Art.4(1)(b), Art.4(1)(b), Art.4(1)(b),

I hope you are well, and have had a good start to the year.

I wanted to share with you an update since we were in touch last year. The attached document gives an overview of our current efforts around equitable access to the Pfizer-BioNTech vaccine and related key policy priorities, and updates or provides more detail beyond some information I have previously shared.

With policy debates continuing intensely on many of these areas, I hope it would be informative to you. I would be very glad to discuss any points with you in case you should have any questions.

Best wishes,
