Subject: Your confirmatory application on access to documents

Reference: Your e-mail to EASA, dated 22 February 2014

Dear Mr Langford,

Thank you for your e-mail in which you request the Agency to reconsider its decision of 21 February 2014 of refusing to grant access to the documents you requested namely compliance documents relating to the technical, test flying and safety evaluation of the Type PS-28 Cruiser prior to awarding of the Restricted Type Certificate. In your confirmatory application you specified that you "would not object to receiving the Summary, Conclusions, Recommendations or other elements or synopsis form of the documents which would identify the rationales" that created the differences between the PS-28 Cruiser aircraft types.

Your confirmatory application will be handled in accordance with Regulation (EC) No 1049/2001 regarding public access to European Parliament, Council and Commission documents.

In your e-mail you informed the Agency that you submitted your confirmatory application by post. I regret to inform you that your letter has not yet arrived to the Agency. However, the Agency decides to begin the evaluation of your confirmatory application in the absence of your formal letter in order to be able to respond you as quickly as possible. Under the terms of Regulation (EC) No 1049/2001 you will receive a reply within 15 working days, in this case by 27 March 2014.

Yours sincerely,

F. MANUHUTU
