Dear Person  
I d t

I understand Person already spoke with you to explain the complications regarding the interpretation mentioned for the meeting of tomorrow. Until this is cleared could I already ask you to send me for each participant:

Name  
Firstname  
Email address  
ID/passport number

If they can't/do not wish to share their personal info, then I would need a different email address for each them, they will have to create a EU login account if they don't have it yet and to encode their info themselves in our visitors system.

I would be grateful to receive the information as soon as possible.

Kind regards,
