Draft Minutes -	- Participation to BDI breakfast (virtual)
GROW: Kerstin Jorna,	// BDI (See list of participants)
(BDI Executive Board) welco	omes guests and introduces the session.
Ms Jorna presented the historical eve	olution of the EU's Single Market (SM), presented key
·	d the role of the Single Market in the implementation
	ed support measures. Particularly important in terms
_·	
• •	exchange with industry on the initiatives defined in
	e.g. the challenges and the ideas how to overcome
	as been very important to address challenges in the
supply chain (e.g. scaling up of indus	strial production of vaccines).
Q&A with participants	
Chemica	als sector: pathway approach good yet need to align
	nake sure that value added is considered). Mentions
	tter Regulation in mind (avoid too much secondary
	-
	xonomy or Farm to Fork). On more specific issues,
essential use is mentioned.	
	On
•	ed about the need for correct analyses in regards to
what exits in terms of possible subst	titutes (the relevant transition pathway, where ECHA
will be part, is the right forum for dis	scussion and exchange).
