

Hello,

We are writing concerning your request for access to Commission documents registered on 24 October 2022 under case number 2022/6020.

You have requested documents relating to:

- proposal submitted by the government of Cyprus for financial support to the construction of the centres.
- correspondence between DG Home and Cypriot authorities, related to funding the construction of the aforementioned centres, in the period from January 2020 until today (October 23rd, 2022)

In relation to the second point of your request, could you please confirm whether you are referring to **January 2020**, or **January 2022**, taking into consideration that the standing call for the submission of requests for additional funding through EU action grants under the Asylum, Migration and Integration Fund (AMIF) to provide support to the reception, asylum and return systems of Member States particularly exposed to migratory pressure at the EU external borders, was published on 26 January 2022?

It would be appreciated if you could reply to the question above by **Thursday 1 December 2022**, in order to allow the continuation of the assessment of your request.

Kind regards,
