Subject: UNFSS coalition on sustainable productivity

Dear Deputy Secretary of Agriculture,

I am delighted to inform you that the European Commission will join the sustainable productivity coalition as a government partner. The objectives of the initiative coincide with the priorities of the European Commission to accelerate the transition to more sustainable food systems and to foster coordination and cooperation at the global level.

While the Commission appreciates what joining the sustainable productivity coalition as a government partner entails, I wish to recall that it does not mean entering into legal, financial or political commitments.

My colleague Art.4.1(b) privacy will be the contact point in DG AGRI for this coalition.

Yours faithfully,

Art.4.1(b) privacy
