**Reference:** Your email of 18 March 2014

Dear Mr Naylor,

Thank you for your email of 18 March 2014 where you ask EASA to disclose also the two attachments to the email that we disclosed to you.

As a point of clarification, please note that those two attachments, namely PS-28\_PtF09SC323\_Difference\_Table ctho.docx (50KB) and PS-28\_PtF09SC323\_Difference\_Table ctho.docx (32KB), are part of the on-going evaluation of the compliance of the SportCruiser fleet as explained in our letter on the second page under 'Other issues' and cannot be disclosed at this stage.

Nevertheless, as we already informed, EASA and CSA will present the evaluation at AERO Friedrichshafen on 10 April 2014, i.e. in less than one month.

I hope this explanation is sufficient to satisfy your request; please note that you can also contact the PCM Michal Stepan for further information.

In case my answer is not satisfactory, you have a right to make a confirmatory application for the documents as already described in our letter.

Yours sincerely,

F. MANUHUTU
