

Dear Ms Pacciardi,

We are writing concerning your request for access to Commission documents registered on 17 November under case number 2022/6666.

In line with Article 6(2) of [Regulation \(EC\) No 1049/2001](#) regarding public access to documents, we invite you to send us more detailed information on the documents you request.

In that context, we would like to have the following clarifications as it concerns your request:

- *"In-depth Guidelines/minutes of meetings on how to carry out the activities generically indicated in the Action Documents of projects"*

This question is extremely vague ; could you please specify of which body you are precisely ask "Guidelines/minutes of meetings"?

In addition, could you please explain in more detail what "how to carry out the activities generically indicated in the Action Documents of projects" exactly mean? Are you referring to contractual procedures, regulating the contracts between the EU and the Implementing Partners?

- *"Any agreement signed between the EU (or AICS) and third parties"*

Does this question refer to AICS component of the programme T05-EUTF-NOA-LY-13 only, or also to those implemented by UNICEF and UNDP?

- *"Monitoring reports on performed activities"*

Does this question refer specifically to AICS component of the programme T05-EUTF-NOA-LY-13, or also to those implemented by UNICEF and UNDP?

- *"Financial reports detailing the expenditure items of the €50,000,000 budget invested in the project, in particular the €22,000,000, received by the Italian Cooperation (AICS)"*

Could you please clarify if you are interested in financial reports relating to UNDP and UNICEF components of the programme as well?

The 15 working days to reply to your request will start running only when you reply to this message. If you do not reply within 7 working days, we will close this case in line with our detailed rules for the application of Regulation (EC) No 1049/2001.

Kind regards,

NEAR ACCDOC TEAM
