Hi [Name],

I would like to present shortly his priorities which would include also other topics as the banking union. But looking at the time frame it would be mainly about Basel.

We will double check and come back to you in due course.

Best regards,

May I also ask – Is the meeting exclusively about Basel III or are there other topics that [REDACTED] would like to touch on?

Dear [REDACTED],

That is very good news. I’d suggest 8:20 to 8:50 so that we have a 15 min break before the conference starts.

I will contact SRB colleagues to book a room in their building.

Kind regards,

[REDACTED]

Subject: AW: Association of German Banks - Request for a virtual meeting (September 2021)

Dear [REDACTED],

Thanks again for your support.

BdB [REDACTED] is delighted to meet Commissioner McGuinness personally on the margins of the Annual SRB Conference. He would be available from 8.00 in the morning on 14 October 2021.

Shall we try to find a meeting room at the SRB or shall we arrange a meeting in a conference center nearby?

Have a nice weekend and best regards
Good morning,

Do you already know if [redacted] will attend the SRB conference in-person?

Thanks and regards,
Tommy
Dear Commissioner, dear Ms McGuinness,

We would like to use the opportunity to thank you again for your remarkable virtual welcome note at the FAZ/BdB Jugend + Wirtschaft ceremony which took place in Frankfurt last week. The pupils and students taking part have been very impressed that the competition and their contributions were noticed and commented by the European Commission.

Please allow us to come back to our request for a short first virtual meeting with the [redacted] would like to provide you with a short overview on his priorities [redacted]. We can assure you that the EU is very high on agenda and that [redacted] fights for more integration of the European single market for financial services – including new ideas to overcome the blocked debate on banking union. But there are of course also further important files as upcoming legislative proposals which will have relevant impacts on the business models of banks throughout the EU.

Last week we had the chance to meet at a French-German Financial Dialogue with the French Banking Association and the colleagues mentioned also your meeting with French CEOs. From our perspective it will be key to find joint approaches in order to bring the EU forward.

Unfortunately it did not work out to arrange a first meeting in early September as anticipated before the summer break. But maybe we could arrange a short virtual meeting before the end of September.

We look forward to hearing from you – hopefully with a positive reply.

Yours sincerely,
