

## Meeting with Société Générale (SG)

### Participants:

Commission: Valeria Miceli

SG: [REDACTED]

### Date and Format

29 September 2022 - Physical meeting at Berlaymont

### Minutes

Société Générale (SG) shared their thoughts on the following topics:

1. recent trends in ESG and EU sustainable finance agenda including taxonomy
2. energy related matters including the rules on collateral for energy derivatives, circuit breakers and other initiatives proposed by the Commission
3. review of the securitization framework
4. ongoing negotiations of the Basel proposal
5. upcoming banking proposal on CMDI which should take into account French banks' concerns about high contributions to the Single Resolution Fund. Any future reform should ensure that contributions mirror the actual probability that the contributing bank may need SRF support.
