

## Meeting with Invesco Management SA (IMSA)

### Participants:

Commission: Valeria Miceli

Invesco: 

### Date and Format

05 September 2022 - Physical meeting at Berlaymont

### Minutes

Invesco wanted to exchange on EU capital markets, sustainable finance and digital finance, as well as the impact of global developments on transatlantic cooperation.

In particular, they shared their thoughts on the Eu sustainable finance framework (with particular focus on SFDR and corporate sustainability reporting directive) and on the CMU plan including on AIFMD review, MIFID and MIFIR Review, and on the consolidated tape.

They also shared their thoughts on the current and future developments in the US financial markets and policies, and pathways to further deepen transatlantic cooperation on financial market issues.
