

Visits and events

I have an idea for an event for my policy area

Colleagues in the [Outreach and Engagement Unit](#) will be happy to define a concept for the event together with you and take care of organisational aspects.

What kind of events does the GSC organise? Where can I see a list of upcoming events?

We organise public events/conferences in cooperation with the Presidency and its partners (EU agencies, NGOs, etc.), and smaller-scale, more restricted events with a specific target audience (think-tanks, influencers). We are also looking into

other formats, so please feel free to [get in touch with us](#) to explore different possibilities. You can see a list of past and upcoming public events on the dedicated page on the Council website.

I would like to speak to visitor groups about my policy area

COMM organises general or tailor-made information sessions in the 24 official EU languages for pre-booked groups of visitors. Visitor groups can consist of students, teachers, representatives of academic institutions or private businesses, public authorities or even military staff. Since the Covid-19 pandemic, we have been also organising virtual visits. Please [get in touch](#) to find out more and get matched to a visitor group.

I would like to volunteer for the [EU Back to School/University initiative](#)

Thank you for your support! This initiative is a great way to get in touch with young people who are eager to find out more about the inner workings of the EU. Colleagues in Outreach and Engagement would be happy to give you more information and help you participate.

I would like to book a press room for an event

Fill in the [booking form](#) via Domus, so that we know the kind of set-up we should provide and what your technical needs are.
