Q. Could you please let me know in return who will join from your end, beyond the Commissioner?

Topics for discussion: After a brief introduction on Amazon's business and contribution to the EU economy, we would be grateful to discuss

- [Value-Added Tax] Our commitment and approach to strengthening SMEs growth through VAT simplifications and to support Governments to collect VAT revenues more efficiently.
- [Digital Taxation] Our approach and position towards corporate tax reform on international level and in the EU to address challenges raised by digitalization of the economy.

As a baseline for that discussion, I attach our public submission to the OECD consultation on Pillars 1 and 2 (dated Dec 14, 2020).

I trust the details are sufficient but please do let me know if you have further questions.

Thank you and regards
