Subject: Fiscalis Workshop "VAT in the Digital Age" (31 May – 2 June 2021).

On behalf of the European Commission, I want to thank you for having volunteered to act as rapporteur for one of the working groups during the above-mentioned Fiscalis workshop.

This function required a lot of effort and additional hours of work on your side.

Moreover, the very clear presentation that you prepared allowed the participants to grasp the key findings of the discussions in your group during the workshop.

I very much appreciate your willingness to perform this additional function and thank you once again for your contribution.

Yours sincerely,
