**Subject: Application for membership in the VAT Expert Group**

Dear [redacted],

Thank you very much for the interest of your organisation in the activities of the VAT Expert Group and for responding to the Call for applications for the selection of new members of the VAT Expert Group that was published on 5 July 2022.

I regret to inform you that your application was not successful and that your organisation has not been selected<sup>1</sup>. DG TAXUD received more applications than the maximum number of members (40 members) that could be appointed. Therefore, the selection process was highly competitive and aimed at ensuring, not only a high level of expertise, but also notably a balanced representation of relevant know-how among the types of organisations, areas of interest and geographical balance.

Please note that this does not prejudice the outcome of any future application by your organisation for a next mandate of the VAT Expert Group.

Yours sincerely,

*(e-signed)*
