Dear Art 4(1)(b),

Thanks for the message. Afternoons of 16/11, 17/11 or 18/11 (early afternoon for that one) all work for us at the moment. Please let us know which is best for Kevin so we can lock it in.

Cheers

Dear Art 4(1)(b),

Art 4(1)(b) here!

Unfortunately our HoC will be out of town on the dates of your visit, but Kevin, luckily, will be in town and is looking forward to seeing you in Brussels. Could you please let me know which day you would prefer - afternoon of 15/11, 16/11, 17/11 or 18/11? We have several free timeslots over these few days, so don't hesitate to point out the most convenient day for you.

Best wishes,
