Dear [Name],

On behalf of Executive Vice-President Frans Timmermans I would like to thank you for your kind invitation to the event on 22 June. It is with great regret that I must inform you that, due to other commitments at the same time, he will not be able to attend.

I take this opportunity to wish you all the best with this event.

Best regards,

Subject: Invitation Equinor 50th anniversary event 22 June  

Dear Executive Vice-President Timmermans,

I would like to invite you to Equinor’s 50th-year anniversary celebration that will take place on 22 June 2022 from 18h30 in the Natural Sciences Museum in Brussels.

Equinor, formerly Statoil, was formed in 1972 as the Norwegian State Oil Company and grew along with the emergence of the Norwegian oil and gas industry. It has since developed a major and integrated gas production and transportation infrastructure, becoming the second largest supplier of gas to Europe and ensuring the continent a flexible and reliable supply of energy. Five decades later, our purpose is still to turn natural
resources into energy for people and progress for society, but our strategy is now to be a leading company in
the energy transition: we have set a clear ambition to reach net zero by 2050 and we believe our energy
solutions, such as offshore wind, CCS and hydrogen, will contribute to the low-carbon Europe of the future.

We would be pleased if you joined us for an evening of food, drinks and music and of great historic significance
for our company. Our 50th anniversary is an opportunity both to look back at our proud history, but most
importantly, to reflect how it has prepared us for an even more important 50; net-zero by 2050. We will have
the honour to welcome among our guests the Minister of Petroleum and Energy, Member State and EU policymakers, and members of our executive management.

Please confirm your attendance by replying to this email, program details will follow.

I look forward to hearing from you!

Kind regards,

Equinor Energy Belgium NV
