Subject: RE: Speaker invitation: Deployment of Carbon Removals + POLITICO Spotlight - December 5th week Brussels

Dear ,

Thank you very much for your email and kind invitation for Executive Vice-President Timmermans to speak at the event Deployment of Carbon Removals: setting the standard.

Mr Timmermans will unfortunately not be able to participate personally in Brussels, online nor via video-message due to his heavy schedule. Thank you for understanding.

Kind regards,

Cabinet of Executive Vice-President Frans TIMMERMANS
European Green Deal

Subject: Speaker invitation: Deployoment of Carbon Removals + POLITICO Spotlight - December 5th week Brussels

Dear EVP Timmermans,

I am writing to kindly invite EVP Timmermans to be a speaker at an event we are preparing with Shell on either during the December 5th week in the European Quarter in Brussels, preceding a POLITICO Spotlight

The title of the event is: "Deployment of Carbon Removals: setting the standard". The event will take place in person and will also be livestreamed to thousands
As the carbon removal market will play an increasingly key role in reaching carbon neutrality by 2035, we hope the event will enable a conversation about the trends and challenges for the future of the European energy landscape and how the latest policy mechanisms can ensure the right deployment of carbon removals certification incentives.

We are hoping that EVP Timmermans can join us, either on a panel discussion with a relevant MEP, a relevant stakeholder and a representative of Shell, or through a keynote or a pre-recorded message. The focus of the panel will be on the latest policy trends and challenges for the deployment of carbon removals incentives.

I hope EVP Timmermans will accept our invitation. Should you have any questions regarding the content or format of the event, please do not hesitate to reach out to me.

I look forward to hearing from you,

Kind regards,
