Dear [redacted],
Regrettably [redacted] is not available in the afternoon on that date due to his attendance to a conference in Paris.
We are still available in the morning on 6 December. Alternatively, we can explore other options in accordance with their availability of Commissioner Vălean.

With best regards,

Dear [redacted]

Thank you for your reply.

We are very pleased to know that Commissioner Vălean is interested in the study and willing to meet [redacted].

I would therefore suggest the following dates: 21st November in the morning (it could be a working breakfast), 22nd November (morning and afternoon, if the Commissioner is not going to Strasbourg, if she does, we can also envisage a meeting there) or 6th December in the morning.

If none of these dates is suitable for the Commissioner, we can explore other options.

Comme convenu, je te fais parvenir une demande de réunion avec Madame la Commissaire pour lui présenter les résultats de notre étude sur l’approvisionnement du gaz en Europe et la façon dont nous pouvons sortir de la dépendance du gaz russe. J’espère qu’il sera possible de trouver un créneau pour une réunion présentée à partir du 7 novembre [redacted] étant en vacances la semaine prochaine.

Je reste à ta disposition pour tout renseignement supplémentaire.

Bien amicalement,

[redacted]

P.S. Je t’envoie ci-joint le prospectus de l’étude.
