Subject: Meeting on CRM Act on Dec 19?

Dear Mr Proux,

First of all I would like to thank you for meeting me together with me colleagues from the

Swedish confederation of enterprises in the beginning of December. We really appreciated the meeting.

As I mentioned, the Swedish mining industry is following the Commissions work on the Critical Raw Materials Act with interest. This will be an important act in order to secure access to critical raw materials as well as strategic raw materials of importance to meet the goals in the European Green Deal, and to increase the security of supply both from external and internal sources.

I will visit Brussels on **Monday Dec 19 (next week)** together with [REDACTED], CEO of Boliden and [REDACTED], CEO of LKAB, and with [REDACTED], CEO of Euromines to discuss the upcoming Critical Raw Materials Act. If possible we would appreciate to meet with you to follow up our latest discussion.

Would there be any possibility to meet between 10:30-15.00 on Dec 19, even if there is a short notice?

Best regards,

[REDACTED]
