Dear Kurt,

A very happy and fulfilled 2023.

Next Friday, 19 January, [REDACTED] will be in Brussels, together with [REDACTED] for hydrogen, [REDACTED], who is [REDACTED] H2Global. Would it be of interest to you to meet and discuss European large-scale projects on both LNG and H2/ammonia?

Otherwise, [REDACTED] also plans to be in Brussels in February. He [REDACTED] the LNG terminal and the ammonia terminal in Wilhelmshaven, and is keen to achieve a similar acceleration on the H2 side.

I would be delighted to facilitate an encounter, and look forward to hearing from you.

Yours sincerely,

[REDACTED]

Dear Kurt,

A quick note that Germany's first regasification unit is arriving today. The official opening of the Wilhelmshaven LNG terminal will happen on Saturday with strong government representation.

I remain at your disposal should you have any questions.

Kind regards/Mit freundlichen Grüßen
