Subject: Commissioner Simson - CEO Nicola Monti: proposal for a meeting

Dear [REDACTED],

I hope this email finds you well. I am writing to propose a meeting between Commissioner Simson and our CEO Nicola Monti.

The purpose of the meeting is to present Edison's decarbonisation path to 2030 and to talk about Edison's initiatives to boost security and competitiveness of energy supply, sharing our view on the various European policy measures.

We would like to plan Mr Monti's institutional visit between the end of February and the month of March. In the hope that the proposal may be of interest, we remain at your disposal to identify some dates when the meeting could take place.

Many thanks and best regards,
