Subject: IOGP Europe request for a meeting

Dear Mr van Kemseke,

On behalf of IOGP Europe, I am writing to kindly ask you for a meeting, virtual or in-person, the purpose of which is to exchange views on the measures to address the security of supply crisis, as well as on the much-welcomed Green Deal Industry Plan, announced by the President of the European Commission last week in Davos.

The meeting will also be the occasion to present you the results of two studies, relevant for the above-mentioned topics, namely "[Rebalancing Europe's gas supply](#)" (carried out by Rystad Energy ) assessing supply options and infrastructure capability for the period 2023-2025 and from 2026 onwards; and the second edition of the [Hydrogen4Europe study](#) (realised by Deloitte France) outlining alternative pathways to reach climate neutrality by 2050.

I look forward to hearing from you.

With best regards,

---
