Dear Mr [Name],

Thank you for your inquiry.

The College discussion on the review of competition policy is currently tentatively scheduled for 17 November.

The proposed Communication provides an opportunity to take stock of the ongoing reviews of various Commission Regulations and Guidelines in each of antitrust, mergers and State aid policy, to make sure that they continue to be relevant to keep markets open and competitive and fit for the digital age and the green transition.

Best regards,

Subject: Review of competition policy: - fit for new challenges (tbc)

Dear Ms [Name],

I’ve seen that “Review of competition policy: - fit for new challenges” was a possible item on the agenda of the next College meeting, but that it was still to be confirmed.

If indeed confirmed, would you be able to tell me what it would consist of? I mean, simply whether it would be a communication on the matter and/or a set of legislative of legislative proposals on some concrete issues?

Thank you very much in advance.

Best regards,
