Minutes: Steering Board meeting 19 March - 25 March 2021

19 March

out of scope
There was a discussion on how these vaccines might or might not fit into the strategies of MS given a number of potential needs: children and adolescents; booster jabs; people changing their minds about being vaccinated; donating or reselling internationally.

It was agreed that there should be a meeting of the Board plus EU and national scientific advisors to discuss the scientific aspects of the strategy for 2022.
