Dear President von der Leyen,

On behalf of European Environmental Bureau’s Secretary General, please find attached a copy of EEB’s Memorandum to the incoming Swedish Presidency of the European Union, setting out our hopes and aspirations with respect to the environment-related outcomes of the Presidency. Prepared in cooperation with Seas at Risk, the Memorandum addresses not only topics dealt with under the auspices of the Environment Council but also those dealt with by other Council configurations where these concern matters relating to or affecting the environment.

Warmest wishes for a happy holiday season and a wonderful New Year!

Kind regards,
