Dear Ms. Slotboom,

With our greatest appreciation of your prominent role in the sectors of economy and politics, we are honoured to invite you to speak at the 8th edition of the Prague European Summit - a strategic platform established in 2015 to tackle pan-European questions in light of the common challenges. The Summit, titled “Leading the Green and Digital Future?”, will be held in the Liechtenstein Palace, Prague, between the 10th and 11th of November 2022.

Prague European Summit forum gathers regularly around 400 high-level politicians, opinion makers, think-tankers, and public figures from all over the world. The main aim of the summit is to set the EU trends of the future through dialogue with the highest levels of the European public and private sphere, and to strengthen the role of the European Union in the world while building a sustainable and resilient society. During previous Summits, we had the honour to welcome as speakers personalities such as Borut Pahor (President of Slovenia), Ivan Korčok (Minister of Foreign and European Affairs of Slovakia), Masamichi Kono (Deputy Secretary-General, OECD), Roberto Montella (Secretary-General, OSCE PA), Lilyana Pavlova (Vice President of the European Investment Bank), Frans Timmermans (Vice President of the European Commission) and many others.

Writing on behalf of the organisers, namely the two leading Czech think-tanks, Institute of International Relations and EUROPEUM Institute for European Policy, we would like to express our great interest in your participation in this innovative event. The summit is being realised under the auspices of the Office of the Government of the Czech Republic, as an accompanying event during the Czech presidency of the EU Council, and in cooperation with the Representation of the European Commission in the Czech Republic. This year, the summit will focus on the topics of green and digital transformation, energy security and economic resilience.

We are delighted that you can take part as a speaker in our panel discussion titled “Making the EU Single Market More Resilient” on November 10th, 2022. [www.praguesummit.eu] kindly confirmed his participation in the panel. Invitation to the panel was also forwarded to CEPS. The panel will be organized in the form of a panel discussion with a length of 40 minutes, starting at 6:45 PM.

Should you have any questions, do not hesitate to contact us via e-mail to [www.praguesummit.eu] or by phone [www.praguesummit.eu]

Sincerely

Institute of International Relations Prague

EUROPEUM Institute for European Policy
