Thank you

BTO of the meeting between SANTE.E1 and CEFS, 6 May 2022, 15:30 – 16:15

SANTE.E1: [Name] (status)

CEFS: [Name]

Meeting requested by CEFS to have an update on the process for revising the Food Information to Consumers (FIC) Regulation

CEFS:

- Informed that CEFS was present in the morning in the meeting of the SANTE Advisory Group where E1 provided an update on the revision of the FIC Regulation;
- **Out of scope**
  - Asked about the publication of the JRC literature review of front of pack nutrition labelling (FOPNL) and Origin Indication and whether stakeholders would be invited to express their views;
  - Requested clarification on the weight/importance of different inputs provided by various stakeholders (EU Citizens, NGOs, Business organisations etc.);
  - Underlined the importance of the overall energy value in the context of FOPNL;
  - Asked about the link between the EFSA opinion on tolerable upper intake level for dietary sugars and the EFSA opinion on FOPNL;
  - In the context of the EFSA Opinion on FOPNL, referred to a previous TBT position of the Commission regarding distinguishing added and naturally occurring sugars;
  - Asked about the role of the revision of the FIC Regulation in the creation of the new legislative framework for sustainable food systems.

SANTE:

- Explained the state of play of the external study supporting the impact assessment, including the consultations of stakeholders and how they are considered, and further explained the
process for scientific advice from EFSA and JRC and their role in the process. SANTE also explained the link with the framework for sustainable food systems.

Best wishes
