**Subject:** Meeting request: The LEGO Group [REDACTED] Commissioner Breton, 25 April Brussels

**Importance:** High

Dear all,

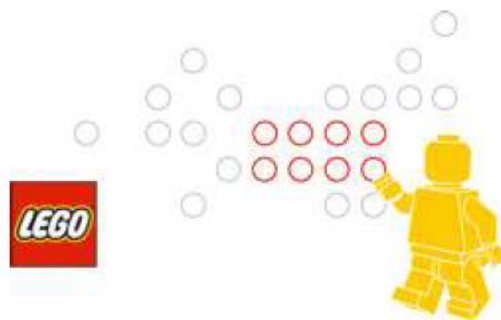

As briefly mentioned to [REDACTED] on the phone, I am contacting you on behalf of the LEGO Group regarding an upcoming visit to Brussels of [REDACTED] on 25 April.

Very grateful to [REDACTED] for our discussion back in May 2022 together with the LEGO Group [REDACTED]. Building upon that exchange, [REDACTED] would like to request a meeting with Commissioner Breton on 25 April should his calendar permit. In addition to sharing details about our European footprint and our brand's contribution to Europe's green and digital transition, [REDACTED] would also like to discuss with the Commissioner specific developments and business impact on certain topics (examples include supply chain issues and the EU Chips Act, internal market barriers, topics relevant to Europe Fit for the Digital Age regarding children's protection online, DSA impact and immersive environments such as the metaverse etc.) .

Would the Commissioner's agenda allow for such a meeting on 25 April after 09:30 CET? Our team is also available for a call with you and colleagues to work together on a more detailed outline of the meeting agenda.

Looking forward to hearing back from you.

Best,  
[REDACTED]

**Subject:** Follow-up - meeting with the LEGO Group

Dear [REDACTED]

On behalf of the LEGO Group, I wanted to thank you for your availability to meet [REDACTED] and discuss the semiconductors situation in Europe.

We are extremely grateful for all the insights you shared during the meeting and for offering assistance. You kindly drew our attention to the single market emergency instrument and the ongoing consultation. You also recommended that we speak to DG Connect. We agree on the need to voice our interests as a European brand investing in Europe.

We propose to keep a dialogue with your services and will revert on a meeting with [REDACTED] and a visit to our headquarters in Billund, Denmark.

Warm regards

[REDACTED]
