

Meeting with Mastercard

Participants:

Commission: Valeria Miceli

Mastercard:

-  Chief Financial Officer (CFO) for International Markets
-  Vice President Public Policy Europe
- 

Date and Format

11 May 2023 – Physical meeting at Berlaymont

Minutes

Mastercard wanted to exchange views on current global and European digital trends. They also wanted to share information about the support Mastercard provides to SMEs and start-ups in Europe.

They shared their views on the digital euro and conveyed their willingness to provide their contribution to this very important European project.

They also wanted to provide their point of view on open finance and open banking. They emphasised the fragmentation of the EU payment market.
