Summary report

Meeting with COPA-COGECA on the revised EU Pollinators Initiative

30 January 2023

Participants:
DG Environment: [Redacted]
COPA COGECA: [Redacted]

Topics discussed:
- Implementation of the revised EU Pollinators Initiative;
- Actions for wild pollinators in agricultural areas;
- The role of beekeepers and the apiculture sector in actions for wild pollinators;
- Engagement of farmers in the implementation of the relevant actions under the Pollinators Initiative, including conservation and monitoring;
- The role of COPA COGECA in facilitating engagement of beekeepers and farmers in actions for wild pollinators.

Summary:
COPA COGECA expressed interest in supporting the implementation of actions under the revised Pollinators Initiative, which are relevant for beekeepers and farmers. DG Environment welcomed this, and invited COPA COGECA to take an active role in the Commission’s Working Group on Pollinators.
