Dear Colleagues,

Please see further below – ACEA is now adding topics to the agenda for Monday! It is very late now – can we still adapt the briefing or can I tell them that it’s too late?

Many thanks

Dear [REDACTED],

Many thanks for the list of topics – from our side we would like to add a short point on In-vehicle-data/revision of the ITS Directive.

As the subjects below will be treated by Directorate B and C, Mr Hololei will be accompanied by 3 or 4 colleagues from the respective units. So far, I don’t know their names yet.

Best regards,

[REDACTED]
