Dear Mr Fanta,

We refer to your request for access to documents registered in DG GROW on 26/06/2023 under EASE 2023/3613.

The description given in your application does not enable us to identify concrete documents which would correspond to your request. We therefore invite you, pursuant to Article 6(2) of Regulation (EC) No 1049/2001 regarding public access to documents, to provide us with more detailed information on the documents that you seek to obtain.

In particular, please be informed that DG GROW is not the DG responsible for the topic mentioned (Digital Euro). Other DGs such DG FISMA or even DG ECFIN are therefore more likely to hold any documentation fitting the scope of your request. As the exact addressee of your request is unclear (“Transparency unit”), this is to ask for your confirmation that your request aims to target DG GROW?

If you need assistance in clarifying or specifying your application, please let us know. In accordance with Article 2, third paragraph of the Implementing Rules to Regulation 1049/2001, the 15 working days time limit for handling your application will start running when we receive the requested clarifications.

Thank you in advance for your understanding.

Kind regards,

DG GROW – Access to documents team
