Subject: DG-ENVI/Concaew Meeting - Presentation Slides

Dear all,

It was a pleasure meeting you today and thank you for the good discussion/exchange of views we had.

In the attached.pdf, you may find the slides presented today and please feel free to come back with any additional questions you may have.

In addition to the presentation, we would also like to follow up by providing you additional information on the studies underpinning our research activities. This will come in a separate email in the coming days.

Kind regards,
