Dear Ms Pelo,

We acknowledge receiving your reply to our clarifications request. We understand that you would like to address the same request to the European Institute of Innovation and Technology. Kindly note that applications for access to a document should be sent to the following email address xxxxxxxxxxxxxxx@xxx.xxxxxx.xx, clearly stating the reference 'Application for access to EIT documents'.

We note that to our request to be more specific to the time frame for which you would like to receive documents referred to " the projects funded by the EU, implemented by Bruno Kessler Foundation (call for applications, evaluation, award decisions)", as the word "recent" would be too vague, you simply deleted the word "recent", without adding a relevant time frame. As our DG already replied to you to this point on the 30.09.2019 under the reference Ares(2019)6047330, we understand that you would be interested in the following period, namely from 01.10.2019 until the date of registration the request.

Please confirm.

As regards the last line of your request, we did not receive enough information according to your answer to the clarifications request and we are not in a position to treat it.

Kind regards,

DG R&I Access to documents
