Dear Ms Indiano,

Thank you for your request for access to documents of the Council of the European Union.¹

You have requested the following:

“For the period between November 2022 to date:

1. a list of all meetings between the President of the paper cup company Seda Antonio D'Amato and/or any member of Seda and the Environment Council during which the Proposal for a Regulation on packaging and packaging waste was discussed

The list should include the date, individuals attending and organisational affiliation, as well as the issues discussed;

- all minutes and other reports of these meetings and/or calls;
- all documents prepared for the purpose of the meetings issued both in preparation and after the meetings took place.
- all correspondence, including attachments (i.e. any emails, mail correspondence or telephone call notes) between the Environmental Council and President Antonio D'Amato and/or any other member of Seda discussing “regulation on packaging and packaging waste”.

After having checked with the relevant services, it appears that there was no meeting between the President or any member of the Seda company and the Environment Council nor any exchange of correspondence. Consequently, the General Secretariat of the Council does not hold documents corresponding to your request.

Yours sincerely,

Fernando FLORINDO
