Meeting with Huawei [Art 4.1 b]

7/05/2014; 15h00-16h00 at CHAR 05/206

COM: Felipe Palacios Sureda

[Art 4.1 b] for trade facilitation and market access in Huawei, visited the Commission ahead of his intervention at a professional organisation of compliance officers where he will speak about the for an EU-China bilateral investment agreement and wanted to have an exchange with the Commission in respect of the ongoing negotiations. The Commission explained its approach to the negotiations and the elements that it expects to include in the agreement. EU's approach is based on the mandate received from Member States and takes on board the results and recommendations of the public consultations that took place in the impact assessment study in preparation for the launch of the negotiations as well as the Resolution of the European Parliament on China investment negotiations.
