Dear all,

On behalf of the Sustainable Energy Council, the Port of Rotterdam, the City of Rotterdam, and the Province of Zuid Holland, it’s my honour to invite Frans Timmermans to be a distinguished speaker at the World Hydrogen Summit, which will be taking place in Rotterdam on 13-15 May 2024, and share your hydrogen strategy.

The World Hydrogen 2024 Summit & Exhibition the largest and most senior hydrogen event in the world welcomes more than 2000 high level delegates in attendance to hear the latest plans to advance the global deployment of hydrogen. At the exhibition, more than 15,000 industry professionals will meet over 500 exhibitors from governments, private sector, and academic institutions to set the agenda for the global deployment of hydrogen.

Please find attached the event brochure and view the post event video here.

We hope you will join us at this crucial event at this pivotal moment in our energy history.

I look forward to hearing from you and to welcome you to the event.

Very best regards,

Dear

I hope my email finds you very well!

Following Mr Timmermans excellent keynote address at this year’s event, it’s my honour to invite the Executive Vice President to be a distinguished speaker at the World Hydrogen Summit once again. The 2023 event will be taking place at the Rotterdam Ahoy on 9-11 May 2023.

On behalf of the Sustainable Energy Council, the Port of Rotterdam, the City of Rotterdam and the Province of Zuid Holland we are delighted to share the attached official invitation.
We invite you to also take a moment to review the 2023 Event Brochure, which showcases the activities planned for this well-renowned hydrogen meeting.

The World Hydrogen 2023 Summit & Exhibition aims to engage global partners and track progress of hydrogen’s complex supply chains development. It’s the largest physical hydrogen event world-wide. At the Summit more than 1200 high level participants including governments and private sector stakeholders will be sharing their latest projects advancements and announcements on how to ensure this exciting energy source is deployed around the world. At the Exhibition, more than 8000 industry professionals will meet over 300 exhibiting companies to establish collaborations and sign new deals in the hydrogen market. We hope you will join us at this crucial event at this pivotal moment in our energy history.

We would be honored to discuss the invitation with you and your team in more detail. I look forward to hearing from you.

Kind Regards,

Dear all,

On behalf of the Sustainable Energy Council, the Port of Rotterdam, the City of Rotterdam and the Province of Zuid-Holland, we sincerely thank you for your hard work coordinating Frans Timmermans participation as a speaker at the World Hydrogen 2022 Summit & Exhibition.
Mr Timmermans’ Keynote Address added great value to the summit and discussions and his message that “Hydrogen Rocks” was echoed and quoted by speakers in subsequent sessions.

We would like to take this opportunity to invite him to speak at **World Hydrogen 2023 Summit & Exhibition, 9-11 May 2023** and will follow up with a formal invitation and draft programme in the coming weeks. Please do kindly note these dates in your diaries.

The Virtual Platform is available for a full month post event, where you can re-watch all the content from both Summit & H2 Tech Series as well as see the attendee and companies list. **Simply login here**, enter your email and use code 1111.

You may also view Mr Timmermans’ speech directly here: [EU Leading Global Hydrogen Developments Keynote Address](#)

We’re pleased to share the official photos of the event on [this Dropbox link](#). Please note they are still being uploaded as we receive the files from our photographers. We will also publish a photo gallery on our website soon and will share this with all participants via email.

We take this opportunity to invite you to Washington D.C. on 10-11 October for the **Hydrogen Americas Summit** which is co-hosted by the U.S. Department of Energy and the Sustainable Energy Council. If you haven’t yet, please watch this video of the [Hon. Jennifer Granholm, Secretary of Energy, U.S. DOE Invitation to Hydrogen Americas Summit](#). We hope to see you there!

We look forward to working with you again and will be in touch with more opportunities to do so soon.

Yours sincerely,

Dear [Name] and [Name]

I hope you are all well. Apologies for my delay.

If I am not mistaken I confirm there will be 4 people accompanying the EVP. The 2 cabinet members, the photographer, and yourself [Name] with regards to the badges, that would be 5 badges total I would hand to you at 7:30am? We have the EVP’s badge, however for the other 4 we have generic badges for these instances called “Delegation with Official” or something along those lines. So if it is ok with you I will hand you 4 of these generic badges on top of the EVP’s unique badge?

[Name] would you like the security from the Ahoy to be present at 7:30am when you arrive? [Name] I have requested parking from the venue, will let you know.

Dear [Name],

Thanks for your email.

From my side, the information looks correct. For your question marked in red, I will be alone accompany the EVP during this event. I have some remaining questions/issues that I kindly ask for your assistance,

- Will it be you meeting me the 10th at 07:30?
- I will have a separate car, Jaguar 1-UQG-501, is it possible to reserve a parking somewhere near to the EVP’s car?
- The badges for the EVP and the Cabinet members, is it possible I get them in the morning, to hand them over at their arrival?
- Since I am not registered for the event, will I have a badge anyway?

Dear

I have news re parking.

VIP Parking. See floorplan attached. Drop off at taxi sign by forecourt, VIP can enter at your main entrance named Entrée RACC Oost (if wanted). This is the nearest option. Driver can park at ‘P Personeel’ and enter the building there. Same counts for VIP who doesn’t want to enter via main entrance.
I reserved the following parking spot at P Personeel:
10th of May – 09:45 till 12:00 - Frans Timmermans –
1 car - electric car recharging station

Let me know if you have any questions.
