authorising the use of unit contributions for multimedia actions
COMMISSION DECISION

of 27.5.2021

authorising the use of unit contributions for multimedia actions

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) No 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, and in particular Articles 58(2)(d), 125 and 181 thereof,

Whereas:

(1) Commission Decision C(2021)1674, acting as a financing decision and work programme for multimedia actions in 2021, provides for the signing of a Framework Partnership Agreement (FPA) with the TV broadcaster Euronews in order to implement part of the multimedia actions.

(2) This FPA will provide the overarching framework for the awarding of grants to Euronews for multimedia actions for the period 2021-2024. It will include a provision allowing for the use of unit contributions for this period. Unit contributions have shown to simplify considerably grants awarded under multimedia actions in the past.

(3) On this basis, the use of unit contributions for actions covered by the new FPA with Euronews should be authorised.

HAS DECIDED AS FOLLOWS:

Sole Article
