Meeting with ORANO

02/02/2023

---

MINUTES

Participants:

ORANO: Art.4(1)(b) Art.4(1)(b)

Cabinet EVP Dombrovskis: Caroline Boeshertz, Member / Art.4(1)(b)

Minutes of the meeting:

After a short presentation of the company’s structure and business operations (whole life-cycle from mining to recycling), Orano representatives set out the most important issues from their point of view regarding the upcoming Critical Raw Materials Act and the Communication: incentivizing recycling in the EU, focusing on most strategic raw materials, implementing targets, new IPCEI’s or an amendment of existing IPCEI’s, and including mining activities in taxonomy.

Topics: Critical Raw Materials

TRN: ORANO - 348369030395-22

Invitation / meeting request: Ares(2023)1308850
