亲爱的 [姓名]

Mr. Berrigan 会很高兴有一个双边会议在 Eurofi 的边缘。星期五 9/15 11:40-12:10 这个时间段合适吗？

顺祝商祺，

你好 [姓名]

我只是想检查一下 Eurofi 的时间表是否变得更加清晰，是否有时间进行一个简短的讨论？

非常感谢，

Many thanks. My schedule around Eurofi is still a bit uncertain because of ECOFIN/Eurogroup, but I will get back to you ASAP.

Best,

Dear [deleted],

I hope that you are well and get to enjoy a much-deserved break over the summer after a particularly busy year so far on the legislative front.

I wanted to share with you that yesterday evening we have published our half-year results which includes a short note announcing that we intend to explore relocating our European headquarters to Paris – this would be a technical change of our headquarters. Our client offering, including in Ireland, would be unaffected by the change.

I enclose below the text from our half-year results [link]:

Barclays Europe continues to grow and is making an important contribution to the Group’s performance. As the entity evolves, we have recognised that to be closer to the balance of operations of our business in Continental Europe, it may be appropriate to relocate our EU headquarters. As a result, we are exploring a potential move of our EU headquarters from Dublin to Paris. This would be an intra-EU, technical change to our operating model, and would have no impact on the
Group's UK activities with regards to employment, business activities, or revenue. Whatever the outcome of this exploratory work, a change of headquarters is not expected to have an impact on the service that Barclays Europe provides to clients; our growing Irish Corporate Banking and Private Banking franchises remain vital to our continued success and would continue to be supported locally by a strong complement of colleagues in Ireland. If a transfer of headquarters were to proceed, it would affect only a small number of roles in Barclays' Dublin location. Preparatory work and initial engagement with regulators as well as other stakeholders is underway and the relocation would be anticipated to take approximately 24 months with the expectation that no migration of contracts with clients or customers would be required.

For the avoidance of doubt, we will continue to be a Significant Institution under direct ECB supervision.

I would be happy to discuss this, and other regulatory developments, with you in further detail if that is of interest at Eurofi in Spain. If that would be acceptable, my office can liaise with yours to find us a mutually agreeable time.

Kind regards
