New EU TBT notification concerning the proposal for a Regulation of the European Parliament and of the Council on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles (COM/2016/031 final)

Within the framework of the Agreement on Technical Barriers to Trade, the European Union is obliged to notify the World Trade Organisation of the above-mentioned proposal for a regulation of the European Parliament and of the Council. DG GROW is responsible for the proposal.

I would be grateful if you could send your agreement, or any possible observations on this notification within 5 working days. In the absence of a reply on your behalf within that period, I will consider that your Directorate General has given its agreement to this notification and that it can be transmitted to the WTO.

Please note that this ISC only concerns the TBT notification; the proposal has already been approved during interservice consultation No GROW 5552000.

If your services require any further clarification on the proposal, please do not hesitate to contact the official responsible for this file:

The proposed Regulation can be found at: http://eur-lex.europa.eu/legal-content/EN/TXT/?qid=1454951519394&uri=CELEX:52016PC0031
