Dear Commissioner for Agriculture, Janusz Wojciechowski,

Dear DG-AGRI Director General Wolfgang Burtscher,

The International Confederation of European Sugar Beet Growers (CIBE) has taken note with interest of the kick-off event of the Strategic Dialogue on the Future of EU Agriculture, scheduled on 25 January. It has repeatedly expressed to the Commission its wish to actively contribute to this dialogue. Therefore, CIBE cannot but deeply regret not being part of this launch.

Given the current context and challenges for European farmers and for European beet growers, given the expertise of CIBE as regards the economic, social and environmental situation European sugar beet growers are facing, this is highly regrettable and casts a shadow on the objectives pursued by the Commission.

That is why we kindly reiterate our call on you to include our organisation in this platform. We thank you for your consideration.

Sincerely yours,

[E-SIGNED]
