SHORT NOTES OF A MEETING

Subject: Meeting with ReNew Energy Global Plc. (ReNew) 08/05/2023

Representatives of ReNew Energy Global Plc. (ReNew): [REDACTED] (CEO
RenewPower- IN), [REDACTED] (3E)

European Commission: Peter Van Kemseke, Green Deal Advisor, Cabinet of the President

Topic: renewable energy

The representative of ReNew presented the company that he founded in 2011. He explained that the company is active in a wide range of activities, from (utility-scale) solar and wind, hydropower to storage and PPA solutions. The company has a global reach, including South Asia, the Middle East, North Africa and Europe.

The representative of the Commission explained the different decarbonisation proposals tabled by the Commission, several of them having already been adopted by the co-legislators. He outlined the EU's ambition to be a global leader in decarbonization. The representative of ReNew explained the company's involvement in green hydrogen. The representative of the Commission gave an overview of the targets set by the Commission on green hydrogen, in the context of REPowerEU, and the measures taken to reach those targets.
