Dear Madame and/or Sir,

In response to webex meeting and according to the Report of Transparency 2023, we send you the following table.

As you may remark, there are not any cases referring to article 21 Article 21(1) of the TCO Regulation details, reporting:

(a) the number of removal orders issued and the number of items of terrorist content which have been removed or access to which has been disabled and the speed of the removal or disabling;
(b) the specific measures taken pursuant to Article 5, including the number of items of terrorist content which have been removed or access to which has been disabled and the speed of the removal or disabling;
(c) the number of access requests issued by competent authorities regarding content preserved by hosting service providers pursuant to Article 6;
(d) the number of complaint procedures initiated and actions taken by the hosting service providers pursuant to Article 10;
(e) the number of administrative or judicial review proceedings initiated and decisions taken by the competent authority in accordance with national law.

</tr>
</tbody>
</table>
We would like also to clarify that data from private national telecommunication services are not yet available. As soon as we collect the prementioned data, we will inform you with a complementary e-mail in the near future.

Remain at your disposal.

Best Regards,
