

Réponse du SJ à la consultation ARES(2014)2404391

"The LS confirms that the proposed citizens' initiative falls manifestly outside the framework of the Commission's powers to submit a proposal for a legal act as set out by the Treaties, for the reasons set out in LS note sj.f(2014)2565549 of 15 July 2014. The proposed citizens' initiative must therefore not be registered."
