Dear Mr Dale-Harris,

Referring to your request for access to documents registered under number GesDem 2014-5033, we first of all apologize for the delay.

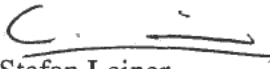

This delay may be explained by always long lasting third party consultation. It allows to already provide access to the following documents:

- Joint letter ELO / CEPF / COPA*COGECA / FACE to European Commission, 20 June 2013, on : *Request for correct transcription of the discussion in the Conclusions of the Biogeographical Seminar of the Alpine Region, 12-14 June 2013, Graz, Austria*
- Large Carnivores workshop 25 January 2013, FACE Opening Intervention, LC's, the Hunters' Perspective
- Letter DG Environment (Stefan Leiner) to Angus Middleton, FACE, on Birds Directive, Art.12 issues, 16 January 2013
- Letter DG Environment (Stefan Leiner) to FACE et al., on *Discussion in the Conclusions of the Biogeographical Seminar of the Alpine Region, 12-14 June 2013, Graz, Austria*, 20 November 2013
- Letter DG Environment (Stefan Leiner) to FACE et al., *Discussions at the preparatory workshop of the Alpine Natura 2000 Seminar, Graz, 12-14 June 2013*, 16 July 2013
- Letter DG Environment (Stefan Leiner) to Hellenic Hunters Federation (copy: to Middleton, FACE), 11 March 2013

In an upcoming mail which will be sent soon, certainly before Christmas, we will provide you with additional material and references, which we still need to clearly identify.

Hoping this will allow you to already enlarge your field of interest and to make progress in your investigations.

Yours sincerely,

 Stefan Leiner
